

For immediate release

DECENTRALISATION OF COMPANY FILES (C) AND REAL PROPERTY GAINS TAX (RPGT) FILES TO IRBM BRANCHES IN KLANG VALLEY

Currently, all files in the Company (C) category located in Klang Valley are handled solely by the Corporate Tax Department in Jalan Duta, Kuala Lumpur. In line with improving the service delivery to customers, effective January 1, 2013, assessment files for Company (C) and Real Property Gains Tax (RPGT) will be decentralised to Inland Revenue Board of Malaysia (IRBM) branches in the Klang Valley (Shah Alam, Petaling Jaya, Klang, Jalan Duta, Kuala Lumpur Bandar, Cheras and Wangsa Maju). Decentralisation of the Company files will be done based on following criterias:

- i. For companies that report earnings not exceeding RM5 million in their Income Tax Return Forms for 2011 and prior years;
- ii. Files will be decentralised based on the postal code address of the business premises; and
- iii. For business premises with addresses outside the Klang Valley, decentralisation is based on the latest correspondence address recorded with IRBM.

However, Special Industry Companies files (Banking, Financial Institutions, Insurance, Housing Developers and Contractors) will still be handled by the Corporate Tax Department in Jalan Duta, Kuala Lumpur.

With this decentralisation, beginning January 1, 2013, the Corporate Tax Department will now handle employer files of companies under the Corporate Tax Department that are presently handled by IRBM branches in the Klang Valley (Shah Alam, Petaling Jaya, Klang, Jalan Duta, Kuala Lumpur Bandar, Cheras and Wangsa Maju).

Any inquiries regarding the location of the files involved due to the decentralisation can be directed to:0
