~~NEW~~ ATTENTION to WPKL GST Registrants

25/02/2016

The implementation of GST has provided facilitations to all registrants, especially in the process of submitting the GST-03 return and payment online. Therefore, we strongly encouraged all registrants to submit both GST-03 return and payment at the bank online via GST Portal or Bank Portal. Online payment is known to be FAST, EASY and SECURE. Furthermore, it saves time by speeding up the payment process to avoid penalties.
